

hurt himself physically felt needle
 of mentally. 9-3 REGRET
 taking sole responsibility By Michael Trent Reznor
 for taking drugs took drug feel emotional pain
 conscious I hurt myself today numb
 no emotional connections To see if I still feel drugs blur peoples reality
 strong verbes I focus on the pain could be the needle
 personification The only thing that's real regular addict.
 drugs are huge factor in The needle tears a hole tears in arm, and in his body
 his life. memories The old familiar sting needle has its own sole
 drug cycle But I remember everything Can't take those moment
 heroin/ What have I become spiral out of control (back)
 drugs My sweetest friend shame, regret
 people left because of Everyone I know goes away - not fighting
 distractive behavior In the end oxymoron
 might have money, put no And you could have it all change it all recognises, has
 personal life or family My empire of dirt nothing left mistakes in
 metaphor I will let you down hyperbole his life.
 drugs have taken I will make you hurt hopelessness
 control of his conscience.
 biblical allusion I wear this crown of thorns mapkary of the situation
 Contradiction Upon my liar's chair X paining surrounding family/frie
 lied to achieve drugs Full of broken thoughts royal imagery
 Sorry can't fix this mistake I cannot repair - Can't go back (into the past)
 stains can't come out Beneath the stains of time folly, numbness
 personal feeling, being killed of The feelings disappear metaphor, personification.
 All feelings have disappeared, You are someone else creates distance
 left, isolated, depressed, self esteem I am still right here can't move on, no growth.

repetition from 2nd
 paragraph
